To Whom It May Concern: (Vicki Southwick)

We would like to appeal the abatement from cessation order MC-04-04-01. Please contact Danny Meyer 801-319-5500 or Todd Wilhite 801-344-5100 with the meeting information.

We would also like to formally request an extension of the "reclamation work" at the Fitzgerald quarry. We should be able to complete the work by February 9, 2005. The weather and other extenuating circumstances have hampered us in our efforts to complete the necessary work.

We appreciate you working with us to make sure the area is in good order and up to state standards.

Todd Wilhite
